Clay Scoliosis Clinic LLC is a physical therapy clinic that specializes in the treatment of scoliosis, spinal deformities, and posture deficits.

Clay Scoliosis Clinic LLC is a "cash-based" physical therapy clinic. Clients pay for services directly to our clinic and then submit claims to their insurance to receive "out of network" reimbursement.

Payments by the client's insurance should be made **DIRECTLY TO THE CLIENT** per their plan's policies.

Because of it's practice model, the rates at Clay Scoliosis Clinic LLC are set. By agreeing to use our services, clients have consented to these prices. They are aware that insurance reimbursement is not guaranteed and may only be partial.
